## Join Us.....

**WHAT:** Plainville's Community of Concern, led by the Plainville Coalition for Positive Youth Development, is a community commitment to keeping our youth alcohol, tobacco, and other drug free. Parents in partnership with each other, their children, schools, and the community form a strong alliance enabling all of us to maximize our efforts to protect our youth. Through this collaboration, we are able to provide a comprehensive, community based prevention effort to keep our children healthy and safe.

**WHO:** Plainville's Community of Concern, led by the Plainville Coalition for Positive Youth Development, is open to all community members who support the effort to keep our youth alcohol, tobacco, and other drug free.

**HOW:** Support Plainville's Community of Concern. Attend our events and programs, read the **Parent's Guide for the Prevention of Alcohol, Tobacco, and Other Drug Use**; take the on-line course.
